Dear Mr. Todd,

The 2005 Urban Water Management Plan for Camrosa Water District is forwarded for your review as appropriate. The completion of the plan was delayed while much of the analysis was being coordinated with the current revision of the District Facilities Master Plan.

To facilitate review by the Department of Water resources, the District has filled out the DWR "Review for Completeness" form published on your website. The completed form is enclosed for your review.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank E. Royer", is written over a horizontal line.

Frank E. Royer
Assistant General Manager
